Cohort 13 | Summer 2023
Native Governance Center

ABOUT NGC

Native Governance Center is a Native-led nonprofit dedicated to assisting Native nations in strengthening their governance systems and capacity to exercise sovereignty.

TOOLKIT PURPOSE

This toolkit is a how-to guide for folks interested in helping us promote applications for Cohort 13 of the Native Nation Rebuilders program. We've tailored the content based on audience: we have social media templates for organizations, businesses, and individuals.

We appreciate you taking the time to spread the word about our Indigenous-led leadership experience with your relatives and community. Word of mouth is the most common way our applicants find out about the program, so your posts matter!
